All unexpended and unencumbered money in the fund at the end of a fiscal year shall remain in the fund.

C. Notwithstanding any provisions of law to the contrary, and in addition to the authority to borrow money or incur debt under any

other provisions of law, any political subdivision for which a fiscal administrator is in the process of being appointed or which has been appointed as provided in this Chapter, is hereby authorized to borrow money from and incur debt payable to the fund in accordance with the provisions of this Section. Such borrowing shall be subject to the approval of:

(1) The legislative auditor, the attorney general, and the state treasurer.

(2) The fiscal administrator, if one has been appointed by the court.

(3) The district court having jurisdiction over the fiscal administration.

(4) The State Bond Commission.

D. The monies in the fund shall be appropriated and used only for the purpose of providing financial assistance to a political subdivision for which a court has appointed a fiscal administrator as provided in this Chapter by providing a source of funds from which the political subdivision may borrow in order to pay the costs and expenses associated with the independent fiscal administration of the political subdivision, including but not limited to all costs and expenses incurred by the fiscal administrator, the legislative auditor, the attorney general, the state treasurer, and any other persons engaged in connection with the independent fiscal administration.

E. Each loan shall be evidenced by a bond, note, or other evidence of indebtedness of the borrower issued to represent an obligation to repay a loan from the fund and shall be authorized and issued pursuant to a resolution or ordinance of the governing authority of such entity, which shall prescribe the form and details thereof, including the terms, security for, manner of execution, repayment schedule, and redemption features thereof. Any such resolution or ordinance shall set forth the maximum principal amount, the maximum interest rate, which shall be at an interest rate that is less than or equal to the market interest rate, as determined by the Department of the Treasury, the maximum redemption premium, if any, and the maximum term of such indebtedness.

F. All resolutions or ordinances authorizing the issuance of bonds, notes, or other evidence of indebtedness of a political subdivision hereunder shall be published once in the official journal of the borrower. It shall not be necessary to publish exhibits to such resolution or ordinance, but such exhibits shall be made available for public inspection at the offices of the governing authority of the borrower at reasonable times and such fact shall be stated in the publication. For a period of thirty days after the date of such publication, any persons in interest may contest the legality of the resolution or ordinance authorizing such evidence of indebtedness and any provisions thereof made for the security and payment thereof. After such thirty-day period, no one shall have any cause or right of action to contest the regularity, formality, legality, or effectiveness of the resolution or ordinance and the provisions thereof or of the bonds, notes, or other evidence of indebtedness authorized thereby for any cause whatsoever. If no suit, action, or proceeding is begun contesting the validity of the bonds, notes, or other evidence of indebtedness authorized pursuant to the resolution or ordinance within the thirty days prescribed in this Subsection, the authority to issue the bonds, notes, or other evidence of indebtedness, or to provide for the payment thereof, and the legality thereof, and all of the provisions of the resolution or ordinance and the evidence of indebtedness shall be conclusively presumed, and no court shall have authority or jurisdiction to inquire into any such matter.

G. The Department of the Treasury may by suit, action, mandamus, or other proceedings, protect and enforce any covenant relating to and the security provided in connection with any indebtedness issued pursuant to this Section, and may by suit, action, mandamus, or other proceedings enforce and compel performance of all of the duties required to be performed by the governing body and officials of any borrower hereunder and in any proceedings authorizing the issuance of such bonds or other evidences of indebtedness.

H. Monies in, credited to the account of, or to be received by the Fiscal Administrator Revolving Loan Fund shall be expended in a manner consistent with the terms and conditions of the loans made from the fund.

I. The repayment of principal of and interest on loans and other obligations made to political subdivisions financed from the Fiscal

Administrator Revolving Loan Fund shall be deposited into the Fiscal Administrator Revolving Loan Fund and may be used to finance loans and obligations to other political subdivisions for which a fiscal administrator is appointed pursuant to this Chapter, provided that reserves for expenditures for the administration of the fund that the Department of the Treasury deems necessary and prudent may be retained in the fund.

J. The Department of the Treasury shall be authorized to enter into contracts and other agreements in connection with the operation of the fund and the department is authorized to adopt rules and regulations in accordance with the Administrative Procedure Act to implement the provisions of this Section.
